510(K)

Summary-(Revision 1)

Del Medical Systems feels the nD Vision-220, Medical Adaptive Image Processor for Medical Applications is substantially equivalent to a marketed devices already in commerical distribution by DigiVision.

The design of the nD Vision-220, Medical Adaptive Image Processor for Medical Applications is virtually identical to the comparative device manufactured and sold by Digivision. Since the design is comparable, technology virtually identical, the specifications similar and the intended use the same, we feel that the devices are substatially equivalent. In addition, the minor differences have no impact on the safe use and/or effectiveness of the device.

Anyone requiring the above information can receive the information by writing to Del Medical Systems at the address listed or by calling Del Medical Systems at (914)-686-3600 or writing Del Medical Systems at One Commerce Park. Valhalla, NY 10595.
