Attention: Pamela Fitzpatrick, M.S.,  
Director, Specialty Regulatory Affairs  
50 Horseblock Road  
Brookhaven, NY 11719

Dear Ms. Fitzpatrick:

Please refer to your supplemental new drug application (NDA) submitted under section 505(b) of the Federal Food, Drug, and Cosmetic Act (FDCA) for Dexedrine (dextroamphetamine sulfate) sustained-release capsules.

We also refer to our letter dated May 11, 2023, notifying you, under Section 505(o)(4) of the FDCA, of new safety information that we believe should be included in the labeling for amphetamine products. This information pertains to a class of products that have the potential for the same serious risks of diversion, motor and verbal tics, and worsening of Tourette's Syndrome.

We also refer to our letter dated May 11, 2023, notifying you, of requested revisions, unrelated to the new safety information, to include language that aligns with more recent labeling for the class.

This supplemental new drug application provides for revisions to the labeling for Dexedrine Spansule consistent with our May 11, 2023, safety labeling change notification letter.
