Drug Facts

Active ingredient
Chlorhexidine gluconate
solution 4.0% w/v. Antiseptic

Purpose

- antimicrobial skin cleanser helps reduce bacteria that potentially can cause disease
- for skin wound and general skin cleansing
- surgical hand scrub
- healthcare personal handwash

Warnings

For external use only

Do not use

- if you are allergic to chlorhexidine gluconate or any other ingredients in this preparation
- as patient preoperative skin preparation of the head
- in contact with the meninges
- in the genital area
- on wounds that involve more than the superficial layers of skin

When using this product

- keep out of eyes, ears, and mouth. May cause serious and permanent eye injury if placed or kept in the eye
- avoid contact with eyes. If contact occurs, flush eyes with copious amounts of water. Contact lenses should be removed when installed in the middle ear through perforated eardrums.
- if contact occurs in any of these areas, rinse with cold water right away

Stop use and ask a doctor if irritation, sensitization, or allergic reaction occurs and lasts for 72 hours. There may be signs of a serious condition.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Drug Facts (continued)

Directions

- use with care in premature infants or infants under 2 months of age. These products may cause irritation or chemical burns.
- Skin wound and general skin cleansing.** Thoroughly rinse the area to be cleansed with water. Apply the minimum amount of the product necessary to cover the skin or wound area and wash gently. Rinse thoroughly.
- Surgical hand scrub.** Wet hands and forearms with water. Apply 5 mL of product to each hand and rub together with water for 15 seconds. Rinse thoroughly under running water. Repeat. Dry thoroughly.
- Healthcare personal handwash.** Wet hands with water. Dispense about 5 mL of the product into cupped hands and wash in a vigorous manner for 15 seconds. Rinse and dry thoroughly.

Other information

- store between 20-25°C (68-77°F)
- avoid excessive heat above 40°C (104°F)
- Inactive ingredients**
fragrance, gluconolactone, isopropyl alcohol 4% w/v, lauramine oxide, polyoxamer 237, purified water and red 40
