Purpose

This website has been prepared for the purpose of providing information about the Zyprexa Relprevv Patient Care Program. This site is intended for use only by residents of the United States who are age 18 or older.

This website (this "Site") is administered by staff at United BioSource Corporation ("UBC") on behalf of its sponsor Eli Lilly and Company ("Lilly").

UBC makes information about the Zyprexa Relprevv Patient Care Program available on this Site, subject to the following Terms of Use ("Terms"). UBC reserves the right to change these Terms at any time without notice. You agree to be bound by the most recent version of the Terms posted on this Site. These Terms represent the entire understanding between you and UBC relating to the use of this Site.

Security Notice

For the purpose of maintaining security of the Site and to ensure that this service remains available to all users, UBC uses software programs to monitor network traffic to identify unauthorized attempts to upload or change information, or otherwise cause damage. Unauthorized attempts to upload information or change information on this service are strictly prohibited and may be subject to prosecution and punishable under the Computer Fraud and Abuse Act of 1986 and the National Information Infrastructure Protection Act.

General Disclaimer

While we make every effort to provide accurate and complete information, some information may change between Site updates. The information provided on this Site is provided for informational purposes only and is meant to present an overview of the training, registration process and resources available relating to the Zyprexa Relprevv Patient Care Program. The content is not intended in any way to be a substitute for professional medical advice and should not be interpreted as treatment recommendations. Only a physician who has had an opportunity to interact with the patient in person, with access to the patient's records and the opportunity to conduct appropriate follow-up, can provide recommendations for treatment.

Always seek the advice of your physician or other qualified health provider with any questions you may have regarding a medical condition. Neither the content nor any other service offered by or through this Site is intended to be relied on for medical diagnosis or treatment, without a physician's interaction and involvement. Never disregard medical advice or delay in seeking it because of something you have read on this Site.
