This 510(K) Summary of safety and effectiveness for the Cheveux Diode Laser System is submitted in accordance with the requirements of the SMDA 1990 and following guidance concerning the organization and content of a 510(K) summary.

Applicant: Sandstone Medical Technologies, LLC

Address: Sandstone Medical Technologies LLC
105 Citation Court
Birmingham, AL 35209

Contact Person: Mr. Mark Rohrer

Telephone: 1-205-356-1172
ssmed@bellsouth.net

Preparation Date: April 1, 2010

Device Trade Name: Cheveux Diode Laser System

Common Name: Diode Laser

Classification Name: Instrument, Surgical, Powered, laser 79-GEX, 21 CFR 876-48

Legally Marketed Predicate Device(s): LightSheer Diode Laser System K003614

Description of the Cheveux Diode Laser System: The Cheveux Diode Laser System delivers laser light with an 810 nm wavelength. The system consists of a console and a handpiece connected to the system by an umbilical. Energy output is initiated with trigger on the handpiece.

Intended use of the Cheveux Diode Laser System: The Cheveux Diode Laser System is intended to be used for Hair Removal, Permanent hair reduction, Treatment for pseudofolliculitis barbae, Treatment of vascular lesions, Treatment of benign pigmented lesions, and Treatment of Leg Veins

Performance Data: None

Results of Clinical Study: None

Conclusion: The Cheveux Diode Laser System is substantially equivalent to other existing diode laser systems in commercial distribution for use in Dermatology and Plastic Surgery.

Re: K100893
Trade/Device Name: Cheveux Diode Laser System
Regulation Number: 21 CFR 878.4810
Regulation Name: Laser surgical instrument for use in general and plastic surgery and in dermatology
Regulatory Class: Class II
Product Code: GEX
Dated: March 31, 2010
Received: April 01, 2010

Dear Mr. Rohrer:

We have reviewed your Section 510(k) premarket notification of intent to market the device referenced above and have determined the device is substantially equivalent (for the indications for use stated in the enclosure) to legally marketed predicate devices marketed in interstate commerce prior to May 28, 1976, the enactment date of the Medical Device Amendments, or to devices that have been reclassified in accordance with the provisions of the Federal Food, Drug, and Cosmetic Act (Act) that do not require approval of a premarket approval application (PMA). You may, therefore, market the device, subject to the general controls provisions of the Act. The general controls provisions of the Act include requirements for annual registration, listing of devices, good manufacturing practice, labeling, and prohibitions against misbranding and adulteration. Please note: CDRH does not evaluate information related to contract liability warranties. We remind you; however, that device labeling must be truthful and not misleading.

If your device is classified (see above) into either class II (Special Controls) or class III (PMA), it may be subject to additional controls. Existing major regulations affecting your device can be found in the Code of Federal Regulations, Title 21, Parts 800 to 898. In addition, FDA may publish further announcements concerning your device in the Federal Register.

Please be advised that FDA’s issuance of a substantial equivalence determination does not mean that FDA has made a determination that your device complies with other requirements of the Act or any Federal statutes and regulations administered by other Federal agencies. You must comply with all the Act’s requirements, including, but not limited to: registration and listing (21...
CFR Part 807); labeling (21 CFR Part 801); medical device reporting (reporting of medical device-related adverse events) (21 CFR 803); good manufacturing practice requirements as set forth in the quality systems (QS) regulation (21 CFR Part 820); and if applicable, the electronic product radiation control provisions (Sections 531-542 of the Act); 21 CFR 1000-1050.

If you desire specific advice for your device on our labeling regulation (21 CFR Part 801), please go to http://www.fda.gov/AboutFDA/CentersOffices/CDRH/CDRHOffices/ucm115809.htm for the Center for Devices and Radiological Health’s (CDRH’s) Office of Compliance. Also, please note the regulation entitled, “Misbranding by reference to premarket notification” (21 CFR Part 807.97). For questions regarding the reporting of adverse events under the MDR regulation (21 CFR Part 803), please go to http://www.fda.gov/MedicalDevices/Safety/ReportaProblem/default.htm for the CDRH’s Office of Surveillance and Biometrics/Division of Postmarket Surveillance.

You may obtain other general information on your responsibilities under the Act from the Division of Small Manufacturers, International and Consumer Assistance at its toll-free number (800) 638-2041 or (301) 796-7100 or at its Internet address http://www.fda.gov/MedicalDevices/ResourcesforYou/Industry/default.htm.

Sincerely yours,

Indications for Use

510(k) Number (if known): K 100893

Device Name: Cheveux Diode Laser System

The Cheveux Diode Laser System is indicated for:
- Hair Removal
- Permanent hair reduction
- Treatment of vascular lesions
- Treatment of benign pigmented lesions
- Treatment of Leg Veins
- Treatment for pseudofolliculitis barbae

The Cheveux Laser System is intended for use on all skin types (Fitzpatrick Skin types I-VI) including tanned Skin

Prescription Use ______ xx ______ AND/OR Over-The-Counter Use ______
(Part 21 CFR 801 Subpart D)
(21 CFR 807 Subpart C)
