Special 510(k) Summary of Safety and Effectiveness:

JUL 18 2012

EXTREMITY MEDICAL Screw System

Submitter:	EXTREMITY MEDICAL. LLC
	300 Interpace Parkway
	Suite 410
	Parsippany, NJ 07054
Contact Person	Jamy Gannoe
	President Phone: (973) 588-8980
	Email: jgannoe@extremitymedical.com
Date Prepared	June 19, 2012
Trade Name	EXTREMITY MEDICAL Screw System
Classification Name	Smooth or threaded metallic bone fixation fastener
and Number	21 CFR 888.3040
Product Code	HWC
Predicate Devices	 EXTREMITY MEDICAL Screw System, Extremity Medical K093770 EXTREMITY MEDICAL Screw System, Extremity Medical K091577 EXTREMITY MEDICAL Midfoot Screw System, Extremity Medical K082934
Device Description	The EXTREMITY MEDICAL Screw System
Indications for use	"The Extremity Medical Screw System is intended for fixation arthrodesis of the
	metatarsal-cuneiform, navicular-cuneiform, metatarsal-cuboid, Talonavicular,
	calcaneocuboid, metatarsal-phalangeal, and metacarpal-phalangeal joints."
Statement of	The EXTREMITY MEDICAL Screw System and its predicate devices have the
Technological	same indications for use; have a similar design; are made of similar materials,
Comparison	and have equivalent mechanical properties.
Non-clinical Testing	Bench testing, including pull-out strength and torque was performed and
	compared to the predicate devices. Clinical simulations in cadavers were
	performed to verify the surgical technique.
Clinical Testing	No clinical testing was performed.
Conclusion	The EXTREMITY MEDICAL Screw System is substantially equivalent to its
	predicate devices. This conclusion is based upon indications for use, materials,
	design, test data and principles of operation.

Re: K121417

Trade/Device Name: Extremity Medical Screw System

Regulation Number: 21 CFR 888.3040

Regulation Name: Smooth or threaded metallic bone fixation fastener

Regulatory Class: Class II Product Code: HWC Dated: June 27, 2012 Received: June 28, 2012

Dear Mr. Gannoe:

We have reviewed your Section 510(k) premarket notification of intent to market the device referenced above and have determined the device is substantially equivalent (for the indications for use stated in the enclosure) to legally marketed predicate devices marketed in interstate commerce prior to May 28, 1976, the enactment date of the Medical Device Amendments, or to devices that have been reclassified in accordance with the provisions of the Federal Food, Drug, and Cosmetic Act (Act) that do not require approval of a premarket approval application (PMA). You may, therefore, market the device, subject to the general controls provisions of the Act. The general controls provisions of the Act include requirements for annual registration, listing of devices, good manufacturing practice, labeling, and prohibitions against misbranding and adulteration. Please note: CDRH does not evaluate information related to contract liability warranties. We remind you, however, that device labeling must be truthful and not misleading.

If your device is classified (see above) into either class II (Special Controls) or class III (PMA), it may be subject to additional controls. Existing major regulations affecting your device can be found in the Code of Federal Regulations, Title 21, Parts 800 to 898. In addition, FDA may publish further announcements concerning your device in the <u>Federal Register</u>.

Please be advised that FDA's issuance of a substantial equivalence determination does not mean that FDA has made a determination that your device complies with other requirements of the Act or any Federal statutes and regulations administered by other Federal agencies. You must comply with all the Act's requirements, including, but not limited to: registration and listing (21 CFR Part 807); labeling (21 CFR Part 801); medical device reporting (reporting of medical

Page 2- Mr. Jamy Gannoe

device-related adverse events) (21 CFR 803); good manufacturing practice requirements as set forth in the quality systems (QS) regulation (21 CFR Part 820); and if applicable, the electronic product radiation control provisions (Sections 531-542 of the Act); 21 CFR 1000-1050.

If you desire specific advice for your device on our labeling regulation (21 CFR Part 801), please go to http://www.fda.gov/AboutFDA/CentersOffices/CDRH/CDRHOffices/ucm115809.htm for the Center for Devices and Radiological Health's (CDRH's) Office of Compliance. Also, please note the regulation entitled, "Misbranding by reference to premarket notification" (21CFR Part 807.97). For questions regarding the reporting of adverse events under the MDR regulation (21 CFR Part 803), please go to

http://www.fda.gov/MedicalDevices/Safety/ReportaProblem/default.htm for the CDRH's Office of Surveillance and Biometrics/Division of Postmarket Surveillance.

You may obtain other general information on your responsibilities under the Act from the Division of Small Manufacturers, International and Consumer Assistance at its toll-free number (800) 638-2041 or (301) 796-7100 or at its Internet address http://www.fda.gov/MedicalDevices/ResourcesforYou/Industry/default.htm.

Sincerely yours,
