**510(k) Summary
Pride Mobility Products Corporation
Victory Three Wheel Scooter**

AUG 17 2007

Submitter's Name & Address:

Pride Mobility Products Corporation
182 Susquehanna Avenue
Exeter, Pa. 18643
Phone: (570) 655-5574
Facsimile: (570) 655-2990

Contact Person:

Thomas Schappert
Official Correspondent

Date Prepared:

08-03-07

Name of Device and Proprietary Name:

Victory Three Wheel Scooter / Pride Mobility Products Corporation

Common or Usual Name:

Three-Wheel Power Scooter

Classification Name:

Physical Medicine / Motorized Three - Wheeled Vehicle

Product Code:

INI

Comparison to Predicate Devices:

The Victory Three Wheel Scooter is substantially equivalent to the Pride Mobility Legend SC300 (K926295) when comparing components, performance, maneuverability, stability, and structure. The performance characteristics and the position of the electronics and drive mechanisms are similar to achieve the same intended use function that enables the user to maintain optimum stability without hindering performance. The differences between The Legend SC300 (K926295) and the Victory Three Wheel Scooter are in the wheelbase, front and rear frame construction, and the Control Mechanisms.

Device Description:

The Victory Three Wheel Scooter is a mid-size battery-operated scooter having a programmable 70-amp Digital Controller. Features include a removable molded plastic seat, a foldable tiller, and an off board charger. Additional safety features include electronic regenerative and electromechanical disc brakes, and rear anti-tip wheels. The Victory Three Wheel Scooter is designed for, but not limited to Pride Mobility Products Corp. providers / retailers and their consumers.

The Victory Three Wheel Scooter is designed with ultimate safety, stability, performance, and portability in mind. The main feature of the Scooter is a narrow wheelbase (22"), which allows better maneuverability from a mid-sized product.

Intended Use:

The intended use of the Pride Mobility Products Corp. Victory Three Wheel Scooter is to provide mobility to persons having limited walking capabilities.

Non-Clinical Testing:

Compliance to applicable Testing Standards is as follows:

ANSI/RESNA WC Vol. 1-1998 Requirements and Test Methods for Wheelchairs (Including Scooters)

ANSI/RESNA WC Vol. 2-1998 Additional Requirements for Wheelchairs (Including Scooters) with Electrical Systems

ANSI/RESNA WC Vol. 2-1998 Section 21 – Requirements and Test Methods for Electromagnetic Compatibility.

IEC 60335-2-29 Safety of Electrical Appliances (Part 2 Battery Chargers)

IEC 601-1-1 Medical Electrical Equipment, General Requirements for Safety

CAL 117 – Flammability Testing

Discussion of Clinical Testing Performed:

N/A

Conclusions:

The Victory Three Wheel Scooter has the same intended use and similar technological characteristics as the Legend SC300 (K926295), moreover, the non-clinical testing and the predicate comparisons demonstrate that any differences in their technological characteristics do not raise any new questions of safety or effectiveness. Thus, the Victory Three Wheel Scooter is substantially equivalent to the predicate device, has passed all testing requirements, and is considered to be safe for user operation.

Re: K072165
Trade/Device Name: Victory Three Wheel Scooter
Regulation Number: 21 CFR 890.3800
Regulation Name: Motorized three-wheeled vehicle
Regulatory Class: Class II
Product Code: INI
Dated: August 3, 2007
Received: August 6, 2007

Dear Mr. Schappert:

We have reviewed your Section 510(k) premarket notification of intent to market the device referenced above and have determined the device is substantially equivalent (for the indications for use stated in the enclosure) to legally marketed predicate devices marketed in interstate commerce prior to May 28, 1976, the enactment date of the Medical Device Amendments, or to devices that have been reclassified in accordance with the provisions of the Federal Food, Drug, and Cosmetic Act (Act) that do not require approval of a premarket approval application (PMA). You may, therefore, market the device, subject to the general controls provisions of the Act. The general controls provisions of the Act include requirements for annual registration, listing of devices, good manufacturing practice, labeling, and prohibitions against misbranding and adulteration.

If your device is classified (see above) into either class II (Special Controls) or class III (PMA), it may be subject to such additional controls. Existing major regulations affecting your device can be found in the Code of Federal Regulations, Title 21, Parts 800 to 898. In addition, FDA may publish further announcements concerning your device in the Federal Register.

Please be advised that FDA's issuance of a substantial equivalence determination does not mean that FDA has made a determination that your device complies with other requirements of the Act or any Federal statutes and regulations administered by other Federal agencies. You must comply with all the Act's requirements, including, but not limited to: registration and listing (21 CFR Part 807); labeling (21 CFR Part 801); good manufacturing practice requirements as set forth in the quality systems (QS) regulation (21 CFR Part 820); and if applicable, the electronic product radiation control provisions (Sections 531-542 of the Act); 21 CFR 1000-1050.

Page 2 – Mr. Thomas Schappert

This letter will allow you to begin marketing your device as described in your Section 510(k) premarket notification. The FDA finding of substantial equivalence of your device to a legally marketed predicate device results in a classification for your device and thus, permits your device to proceed to the market.

If you desire specific advice for your device on our labeling regulation (21 CFR Part 801), please contact the Office of Compliance at (240) 276-0120. Also, please note the regulation entitled, "Misbranding by reference to premarket notification" (21CFR Part 807.97). You may obtain other general information on your responsibilities under the Act from the Division of Small Manufacturers, International and Consumer Assistance at toll-free number (800) 638-2041 or (240) 276-3150 or the Internet address <http://www.fda.gov/cdrh/industry/support/index.html>.

Sincerely yours,

Mark N. Melkerson
