Dear Ms. Bancroft:

Please refer to your supplemental new drug application dated September 24, 2001, received September 26, 2001, submitted under section 505(b) of the Federal Food, Drug, and Cosmetic Act for Alocril (nedocromil sodium ophthalmic solution) 2% Ophthalmic Solution.

We acknowledge receipt of your submissions dated January 25, and February 15, 2002. We also refer to our not approvable letter dated January 25, 2002.

This supplemental new drug application provides for a change in the manufacturing site to Waco, Texas, a change in the primary packaging configurations, and for revised labeling.

We have completed the review of this supplemental application, as amended, and have concluded that adequate information has been presented to demonstrate that the drug product is safe and effective for use as recommended in the agreed upon labeling text. Accordingly, the supplemental application is approved effective on the date of this letter.

The final printed labeling (FPL) must be identical in content to the draft labeling of the package insert and the immediate container and carton labels submitted February 15, 2002.

Please submit the copies of final printed labeling (FPL) electronically according to the guidance for industry titled Providing Regulatory Submissions in Electronic Format - NDA (January 1999). Alternatively, you may submit 20 paper copies of the FPL as soon as it is available but no more than 30 days after it is printed. Please individually mount ten of the copies on heavy-weight paper or similar material. For administrative purposes, this submission should be designated “FPL for approved supplement NDA 21-009/S-002.” Approval of this submission by FDA is not required before the labeling is used.
If a letter communicating important information about this drug product (i.e., a “Dear Health Care Professional” letter) is issued to physicians and others responsible for patient care, we request that you submit a copy of the letter to this NDA and a copy to the following address:

MEDWATCH, HF-2
FDA
5600 Fishers Lane
Rockville, MD 20857

Please submit one market package of the drug product when it is available.

We remind you that you must comply with the requirements for an approved NDA set forth under 21 CFR 314.80 and 314.81.

If you have any questions, call Raphael R. Rodriguez, Project Manager, at (301) 827-2090.

Sincerely,
