

NDA 21-446

Pfizer Global Research and Development
2800 Plymouth Road
Ann Arbor, Michigan 48105

Attention: Jonathan M. Parker, RPh, MS
Global Regulatory Leader, Regulatory Affairs

Dear Mr. Parker:

Please refer to your new drug application (NDA) dated October 30, 2003, received October 31, 2003, submitted under section 505(b) of the Federal Food, Drug, and Cosmetic Act for LYRICA™ (pregabalin) Capsules, 25/50/75/100/150/200/225/300 mg.

We acknowledge receipt of your submissions dated November 7 and 20, 2003, and January 8, 12, 16, and 30, February 5, 12, 13, 16, 17, 20, 23, 25(3), 26, and 27, March 3, 17, 19, 30, and 31, April 6, 8, 9, 12, 19, 20, 21, 22, and 28, May 3, 4, 13, 17, 18, 19, 25, 26, and 27, June 2, 3, 4, 7, 9, 14, 18, 21, 22, 24, 25, 28, and 29, July 1, 2, 6, 7, 9, 14, 16, 20, 22, 26, and 27, and August 3, 5, 12, 18, 19, 20, 23, 24, and 25, September 3, 7 and 8, October 26, November 1(2), and December 30(2), 2004.

The November 1, 2004, submission constituted a complete response to our July 29, 2004, action letter.

This new drug application provides for the use of LYRICA™ (pregabalin) Capsules for the management of neuropathic pain associated with diabetic peripheral neuropathy.

We have completed our review of this application, as amended, and it is approved, effective on the date of this letter, for use as recommended in the agreed-upon labeling text.

The final printed labeling (FPL) must be identical to the submitted labeling (text for the package insert and for the patient package insert submitted December 30, 2004). Immediate container and carton labels must be identical to those submitted July 9, 2004, with the addition of the word "Capsules" to the established name as agreed upon in the November 3, 2004, teleconference. Marketing the product with FPL that is not identical to the approved labeling text may render the product misbranded and an unapproved new drug.

Please submit an electronic version of the FPL according to the guidance for industry titled *Providing Regulatory Submissions in Electronic Format - NDA*. Alternatively, you may submit 20 paper copies of the FPL as soon as it is available but no more than 30 days after it is printed. Individually mount 15 of the copies on heavy-weight paper or similar material. For administrative purposes, designate these submissions “**FPL for approved NDA 21-446.**” Approval of this submission by FDA is not required before the labeling is used.

All applications for new active ingredients, new dosage forms, new indications, new routes of administration, and new dosing regimens are required to contain an assessment of the safety and effectiveness of the product in pediatric patients unless this requirement is waived or deferred. We are waiving the pediatric study requirement for this application.

The final scheduling of this product under the Controlled Substances Act is currently proceeding, but not yet complete as of the date of this letter. We note your commitment of December 30, 2004, not to market this drug until the scheduling is finalized. We further note that, when finalized, appropriate revisions will be made to the package insert, the patient-package insert and the product labeling through supplementation of your NDA. This would include the statements detailing the scheduling of Lyrica in the labeling, as required under 21 CFR 201.57 (h)(1).

We remind you of your postmarketing study commitments in your submission dated December 30, 2004. These commitments are listed below.
