We acknowledge receipt of your submission dated August 5, 2003. We also note agreements made in a teleconference between the Agency and Eli Lilly held on July 15, 2003. Your submission of August 5, 2003, constituted a complete response to our December 13, 2002, action letter.

This supplemental new drug application provides for the addition of a *Geriatric Use* subsection in the **PRECAUTIONS** section.

We have completed the review of this supplemental application and have concluded that adequate information has been presented to demonstrate that the drug product is safe and effective for use as recommended in the agreed upon enclosed labeling text. Accordingly, this supplemental application is approved effective on the date of this letter.

The final printed labeling (FPL) must be identical to the agreed upon labeling (text for the package insert).

Alternatively, you may submit 20 paper copies of the FPL as soon as it is available but no more than 30 days after it is printed. Please individually mount ten of the copies on heavy-weight paper or similar material. For administrative purposes, these submissions should be designated "FPL for approved supplement NDA 50-405/S-094." Approval of this submission by FDA is not required before the labeling is used.

If a letter communicating important information about this drug product (i.e., a "Dear Health Care Professional" letter) is issued to physicians and others responsible for patient care, we request that you submit a copy of the letter to this NDA and a copy to the following address:
