Dear Madam:

This is in reference to your abbreviated new drug application (ANDA) dated September 5, 2001, submitted pursuant to Section 505(j) of the Federal Food, Drug, and Cosmetic Act (Act), for Carboplatin for Injection USP, packaged in 50 mg, 150 mg, and 450 mg single-dose vials.

Reference is also made to the Tentative Approval letters issued by this office on May 22, 2002, and April 21, 2004, and to your amendments dated July 14, and August 11, 2004.

We have completed the review of this abbreviated application and have concluded that the drug is safe and effective for use as recommended in the submitted labeling. Accordingly the application is approved. The Division of Bioequivalence has determined your Carboplatin for Injection USP, packaged in 50 mg, 150 mg, and 450 mg single-dose vials to be bioequivalent and, therefore, therapeutically equivalent to the listed drug (Paraplatin[®] for Injection packaged in 50 mg, 150 mg, and 450 mg single-dose vials, respectively, of Bristol Myers Squibb Company Pharmaceutical Research Institute).

Under Section 506A of the Act, certain changes in the conditions described in this abbreviated application require an approved supplemental application before the change may be made.

Post-marketing reporting requirements for this abbreviated application are set forth in 21 CFR 314.80-81 and 314.98. The Office of Generic Drugs should be advised of any change in the marketing status of this drug.

Promotional materials may be submitted to FDA for comment prior to publication or dissemination. Please note that these submissions are voluntary. If you desire comments on proposed launch promotional materials with respect to compliance with applicable regulatory requirements, we recommend you submit, in draft or mock-up form, two copies of both the promotional materials and package insert(s) directly to:

Food and Drug Administration
Division of Drug Marketing, Advertising, and Communications, HFD-42
5600 Fishers Lane
Rockville, MD 20857

We call your attention to 21 CFR 314.81(b)(3) which requires that all promotional materials be submitted to the Division of Drug Marketing, Advertising, and Communications (HFD-42) with a completed Form FDA 2253 at the time of their initial use.

Sincerely yours,

(b)(6)
