Dear Ms. Kompa:

We acknowledge receipt of your submission dated March 28, 2006.

This supplemental new drug application provides for changes to the approved labeling for Colazal based on food effect data from a postmarketing study and supportive data from previously submitted pharmacokinetic studies.

We completed our review of this application, as amended. This application is approved, effective on the date of this letter, for use as recommended in the agreed-upon labeling text.

As discussed in the teleconferences on September 15, and September 18, 2006, you agreed to our proposed changes to the package insert, which were faxed to you on September 14, 2006, and September 18, 2006, respectively.

The final printed labeling (FPL) must be identical to the enclosed labeling text for the package insert (PI).

Please submit the approved PI in SPL format according to the guidances for industry titled Providing Regulatory Submissions in Electronic Format – NDA and Providing Regulatory Submissions in Electronic Format – Content of Labeling. Approval of this submission by FDA is not required before the labeling is used.
