We acknowledge receipt of your submission (via email) dated June 21, 2006.

This supplemental new drug application provides for an update to the Lipitor Patient Package Insert (PPI) to incorporate the two new indications that are included in the currently approved Lipitor Prescribing Information (Package Insert)(S-042).

We completed our review of this application, as amended. This application is approved, effective on the date of this letter, for use as recommended in the agreed-upon labeling text.

Please submit an electronic version of the FPL according to the guidance for industry titled *Providing Regulatory Submissions in Electronic Format - NDA*. Alternatively, you may submit 20 paper copies of the FPL as soon as it is available but no more than 30 days after it is printed. Individually mount 15 of the copies on heavy-weight paper or similar material. In addition, submit three copies of the introductory promotional materials that you propose to use for this product. Submit all proposed materials in draft or mock-up form, not final print.
