Mundelein, IL 60060

Dear Ms.Monaco:

Please refer to your supplemental new drug application dated October 24, 2006, received October 26, 2006, submitted under section 505(b) of the Federal Food, Drug, and Cosmetic Act for Carafate (sucralfate) Suspension.

We acknowledge receipt of your submissions dated October 24, 2006, and March 22, 2007.

This "Changes Being Effected" supplemental new drug application provides for geriatric labeling submitted under 201.57(f)(10)(ii)(A) (i.e. where insufficient data exist to determine whether the responses of geriatric patients to a drug are different from responses of younger patients).

We completed our review of this application, as amended. This application is approved, effective on the date of this letter, for use as recommended in the agreed-upon labeling text and with the minor editorial revisions listed below. Please add these changes to the Package Insert at the next printing and include in your next annual report.

1. In the How Supplied section, the Prescribing Information date should read the date that the changes were effected, not April 2004.
2. In the How Supplied section, the phrase "Avoid Freezing" should be added.

If you issue a letter communicating important information about this drug product (i.e., a "Dear Health Care Professional" letter), we request that you submit a copy of the letter to this NDA and a copy to the following address:

MEDWATCH  
Food and Drug Administration  
5515 Security Lane  
HFD-001, Suite 5100  
Rockville, MD 20852

We remind you that you must comply with reporting requirements for an approved NDA (21 CFR 314.80 and 314.81).

If you have any questions, call Thomas Moreno, Regulatory Project Manager, at (301) 796-2247.

Sincerely,
