

ANDA 65-430

B. Braun Medical Inc.  
Attention: Susan Olinger,  
Corporate Vice President of Regulatory Affairs  
901 Marcon Boulevard  
Allentown, PA 18109

Dear Madam:

This is in reference to your abbreviated new drug application (ANDA) dated July 27, 2006, submitted pursuant to section 505(b)(2) of the Federal Food, Drug, and Cosmetic Act (the Act), for Cefotetan Disodium for Injection USP, and Dextrose Injection in the DUPLEX® container, 1 gram and 2 grams (Cefotetan). We note that this product is subject to the exception provisions of section 125(d)(2) of Title I of the Food and Drug Administration Modernization Act of 1997.

Reference is also made to your amendments dated October 30 and December 19, 2006; and February 8, March 8, March 9, April 27, April 30, and May 23, and July 27, 2007.

We have completed the review of this ANDA and have concluded that the drug is safe and effective for use as recommended in the submitted labeling. Accordingly the ANDA is approved. The Division of Bioequivalence has determined your Cefotetan Disodium for Injection and Dextrose Injection in the DUPLEX® container, 1 gram and 2 grams (Cefotetan) to have the same therapeutic effect as the reference listed drug, Cefotan, 1 gm/vial and 2 gm/vial, of AstraZeneca Pharmaceuticals LP.

Under section 506A of the Act, certain changes in the conditions described in this ANDA require an approved supplemental application before the change may be made.

Postmarketing reporting requirements for this ANDA are set forth in 21 CFR 314.80-81 and 314.98. The Office of Generic Drugs should be advised of any change in the marketing status of this drug.

Promotional materials may be submitted to FDA for comment prior to publication or dissemination. Please note that these submissions are voluntary. If you desire comments on proposed launch promotional materials with respect to compliance with applicable regulatory requirements, we recommend you submit, in draft or mock-up form, two copies of both the promotional materials and package insert(s) directly to:

Food and Drug Administration  
Center for Drug Evaluation and Research  
Division of Drug Marketing, Advertising, and Communications  
5901-B Ammendale Road  
Beltsville, MD 20705

We call your attention to 21 CFR 314.81(b)(3) which requires that all promotional materials be submitted to the Division of Drug Marketing, Advertising, and Communications with a completed Form FDA 2253 at the time of their initial use.

Sincerely yours,

*{See appended electronic signature page}*

Gary Buehler  
Director  
Office of Generic Drugs  
Center for Drug Evaluation and Research
