ANI Pharmaceuticals, Inc.
7131 Ambassador Road, Suite 150
Woodlawn, MD 21244

Attention: Nitin Borkar, Ph.D
Senior Vice-President

Dear Dr. Borkar:

Please refer to your supplemental new drug application dated April 29, 2008, received May 2, 2008, submitted under section 505(b) of the Federal Food, Drug, and Cosmetic Act for promethazine hydrochloride plain oral solution.

We acknowledge receipt of your submission(s) dated May 23, 2008.

This "Changes Being Effected-30" supplemental new drug application provides for the removal of the reference to dextromethorphan from the PRECAUTIONS: Information for Patients subsection of the package insert.

We have completed our review of these applications, as amended. This application is approved, effective on the date of this letter, for use as recommended in the enclosed agreed upon labeling text.

As soon as possible, but no later than 14 days from the date of this letter, please submit the content of labeling [21 CFR 314.50(1)] in structured product labeling (SPL) format as described at <http://www.fda.gov/oc/datacouncil/spl.html> that is identical to the submitted labeling (dated May 23, 2008). Upon receipt, we will transmit that version to the National Library of Medicine for public dissemination. For administrative purposes, please designate this submission, "SPL for approved NDA 08-381/S-030."

Submit final printed container labels that are identical to the enclosed immediate container labels as soon as they are available, but no more than 30 days after they are printed. Please submit these labels electronically according to the guidance for industry titled *Providing Regulatory Submissions in Electronic Format-Human Pharmaceutical Product Applications and Related Submissions Using the eCTD Specifications (October 2005)*. Alternatively, you may submit 12 paper copies, with 6 of the copies individually mounted on heavy-weight paper or similar material. For administrative purposes, designate these submissions "**Final Printed Container Labels for approved NDA 08-381/S-030.**"

Marketing the products with FPL that is not identical to the approved labeling text may render the products misbranded and an unapproved new drug.

If you issue a letter communicating important information about this drug product (i.e., a “Dear Health Care Professional” letter), we request that you submit a copy of the letter to this NDA and a copy to the following address:

MEDWATCH

We remind you that you must comply with reporting requirements for an approved NDA (21 CFR 314.80 and 314.81).

Sincerely,
