Dear Dr. Herrington:

Please refer to your supplemental new drug applications dated and received November 3, 2008, submitted under section 505(b) of the Federal Food, Drug, and Cosmetic Act (FDCA) for AVELOX® (moxifloxacin hydrochloride) Tablets, NDA 21-085, and AVELOX® (moxifloxacin hydrochloride in NaCl injection) I.V., NDA 21-277.

We acknowledge receipt of your submissions dated May 12, 2009. These supplemental applications propose the following: updating the carton and container labels to include a statement to let dispensers know that a Medication Guide must be dispensed with the product, in compliance with the Medication Guide Regulations as specified in 21 CFR 208.24 (d).

We completed our review of these applications, as amended. These applications are approved, effective on the date of this letter, for use as recommended in the agreed-upon labeling text.

The final printed labeling (FPL) must be identical to the enclosed labeling (immediate container and carton labels).

As soon as possible, but no later than 14 days from the date of this letter, please submit the final printed immediate container and carton labels. For administrative purposes, please designate these submissions, “Carton and Container Labels for approved supplements NDA 21-085/S-041, and NDA 21-277/S-035.”

If you issue a letter communicating important information about this drug product (i.e., a “Dear Health Care Professional” letter), we request that you submit a copy of the letter to this NDA and a copy to the following address:
