

NDA 20786/S-28 Allegra-D<sup>®</sup> 12 Hour Allergy & Congestion  
NDA 21704/S-10 Allegra-D<sup>®</sup> 24 Hour Allergy & Congestion

**SUPPLEMENT APPROVAL**

Sanofi-Aventis, U.S., LLC  
Attention: Nancy Dougherty  
Specialist Base Business Product Support  
55 Corporate Drive MailStop: 55C-205A  
Bridgewater, NJ 08807

Dear Ms. Dougherty:

Please refer to your Supplemental New Drug Applications (sNDA) dated October 6, 2011, received October 6, 2011, submitted under section 505(b) of the Federal Food, Drug, and Cosmetic Act (FDCA) for Allegra-D<sup>®</sup> 12 Hour Allergy & Congestion (fexofenadine HCl 60mg and pseudoephedrine HCl 120mg) tablets and Allegra-D<sup>®</sup> 24 Hour Allergy and Congestion (fexofenadine HCl 180mg and pseudoephedrine HCl 240mg) tablets.

These Prior Approval supplemental new drug applications provide for revision of the text from "Tear Here" to "Push Tablet Through Foil" for the immediate container labels (5-count blister card) for Allegra-D<sup>®</sup> 12 Hour Allergy & Congestion and Allegra-D<sup>®</sup> 24 Hour Allergy and Congestion.

We have completed our review of this application, as amended. It is approved, effective on the date of this letter, for use as recommended in the agreed-upon labeling text.

**LABELING**

Submit final printed labeling, as soon as they are available, but no more than 30 days after they are printed. The final printed labeling (FPL) must be identical to the immediate container enclosed labels (5-count blister cards for Allegra-D<sup>®</sup> 12 Hour Allergy & Congestion and Allegra-D<sup>®</sup> 24 Hour Allergy and Congestion submitted on October 6, 2011), and must be in the "Drug Facts" format (21 CFR 201.66), where applicable.

Even though no revisions were made to the carton labels as part of this supplement, we request that you submit this as part of the FPL for this supplement in order to maintain a record of the complete labeling (count sizes and packaging configurations) being approved as part of this supplement.

The final printed labeling should be submitted electronically according to the guidance for industry titled “Providing Regulatory Submissions in Electronic Format – Human Pharmaceutical Product Applications and Related Submissions Using the eCTD Specifications (June 2008).” Alternatively, you may submit 12 paper copies, with 6 of the copies individually mounted on heavy-weight paper or similar material. For administrative purposes, designate this submission “**Final Printed Labeling for approved NDA 020786/S-028 and NDA 021704/S-010.**” Approval of this submission by FDA is not required before the labeling is used.

### **DRUG REGISTRATION AND LISTING**

All drug establishment registration and drug listing information is to be submitted to FDA electronically, via the FDA automated system for processing structured product labeling (SPL) files (eLIST). At the time that you submit your final printed labeling (FPL), the content of labeling (Drug Facts) should be submitted in SPL format as described at <http://www.fda.gov/ForIndustry/DataStandards/StructuredProductLabeling/default.htm>. Information on submitting SPL files using eLIST may be found in the guidance for industry titled “SPL Standard for Content of Labeling Technical Qs and As” at <http://www.fda.gov/downloads/Drugs/GuidanceComplianceRegulatoryInformation/Guidances/UCM072392.pdf>. In addition, representative container or carton labeling, whichever includes Drug Facts, (where differences exist only in the quantity of contents statement) should be submitted as a JPG file.

### **REPORTING REQUIREMENTS**

We remind you that you must comply with reporting requirements for an approved NDA (21 CFR 314.80 and 314.81). If you have any questions, call Janice Adams-King, Regulatory Project Manager, at (301) 796-3713.

Sincerely,

*{See appended electronic signature page}*
