SUPPLEMENT APPROVAL

Depomed, Inc.
Attention: Terry Lumati
7999 Gateway Blvd., Suite 300
Newark, CA 94560

Dear Ms. Lumati:

Please refer to your Supplemental New Drug Application (sNDA) dated and received August 14, 2015, submitted under section 505(b) of the Federal Food, Drug, and Cosmetic Act (FDCA) for Cambia (diclofenac) powder for oral solution.

We also refer to our letter dated July 9, 2015, notifying you, under Section 505(o)(4) of the FDCA, of new safety information that we believe should be included in the labeling for nonsteroidal anti-inflammatory drugs (NSAIDs), of which Cambia is a member. This information pertains to the risks of cardiovascular thrombotic events and heart failure and edema. In that letter, we also requested that you adopt the revised NSAID class template labeling, so as to furnish adequate information for the safe and effective use of Cambia.

This supplemental new drug application provides for revisions to the labeling for Cambia, consistent with our July 9, 2015, letter.
