We also refer to our letter dated March 11, 2016, notifying you, under Section 505(o)(4) of the FDCA, of new safety information that we believe should be included in the labeling for Juxtapid (lomitapide). This information pertains to the risk of serious diarrhea, appropriate patient selection, and hepatotoxicity monitoring in patients treated with Juxtapid (lomitapide).

This sNDA provides for revisions to the labeling for Juxtapid (lomitapide), consistent with our March 11, 2016, letter and the changes agreed upon in our May 5 and 20, 2016, correspondence.
