SUPPLEMENT APPROVAL

SpecGx LLC
385 Marshall Avenue
Webster Groves, MO 63119

Attention: Mallory Dunard
Regulatory Affairs Specialist

Dear Ms. Dunard:

Please refer to your supplemental new drug application (sNDA) dated and received May 6, 2019, submitted under section 505(b) of the Federal Food, Drug, and Cosmetic Act (FDCA) for Morphine Sulfate Injection.

We also refer to our letter dated April 9, 2019, notifying you, under Section 505(o)(4) of the FDCA, of new safety information that we believe should be included in the labeling for Morphine Sulfate Injection. This information pertains to the risk of central sleep apnea and the interaction of morphine with P2Y₁₂ inhibitors. Additionally, the letter included a labeling change request regarding an update to labeling for serotonin syndrome.

This supplemental new drug application provides for revisions to the labeling for Morphine Sulfate Injection, consistent with our April 9, 2019, letter.
