

NDA 021926/S-016

## **SUPPLEMENT APPROVAL**

Currax Pharmaceuticals LLC  
Attention: Erika Senska  
Vice President, Associate General Counsel  
10 North Park Place, Suite 201  
Morristown, NJ 07960

Dear Ms. Senska:

Please refer to your supplemental new drug application (sNDA) dated and received April 4, 2019, submitted under section 505(b) of the Federal Food, Drug, and Cosmetic Act (FDCA) for Treximet (sumatriptan and naproxen sodium).

We also refer to our letter dated March 8, 2019, notifying you, under Section 505(o)(4) of the FDCA, of new safety information that we believe should be included in the labeling for naproxen-containing products. This information pertains to the risk of interference with the antiplatelet activity of aspirin, with the interaction most marked during the washout period of naproxen.

This supplemental new drug application provides for revisions to the labeling for Treximet, consistent with our March 8, 2019, letter.

### **APPROVAL & LABELING**

We have completed our review of this application. It is approved, effective on the date of this letter, for use as recommended in the enclosed agreed-upon labeling.

To facilitate review of your submission(s), provide a highlighted or marked-up copy that shows all changes, as well as a clean Microsoft Word version.
