Dear Mr. Sullivan:

Please refer to your supplemental new drug application (sNDA) dated and received August 27, 2021, and your amendments, submitted pursuant to section 505(b)(2) of the Federal Food, Drug, and Cosmetic Act (FDCA) for Romidepsin Injection.

This Prior Approval sNDA provides for revisions to the product labeling for voluntary withdrawal of the peripheral T-cell lymphoma indication to align with the current labeling for the listed drug. Additional revisions were made to align with current labeling practices for Physician's Labeling Rule (PLR) requirements and Pregnancy and Lactation Labeling Requirements (PLLR).
