Dear Mr. Lowenthal:

Please refer to your supplemental new drug application (sNDA) dated and received October 23, 2020, and your amendments, submitted under section 505(b) of the Federal Food, Drug, and Cosmetic Act (FDCA) for Valtoco (diazepam nasal spray).

We also refer to our letter dated September 23, 2020, notifying you, under Section 505(o)(4) of the FDCA, of new safety information that we believe should be included in the labeling for benzodiazepines. This information pertains to the risks of abuse, misuse, addiction, dependence, and withdrawal associated with benzodiazepine use.

This supplemental new drug application provides for revisions to the labeling for Valtoco, consistent with our September 23, 2020, letter.

To facilitate review of your submission(s), provide a highlighted or marked-up copy that shows all changes, as well as a clean Microsoft Word version. The marked-up copy should provide appropriate annotations, including supplement number(s) and annual report date(s).
