Attention: Ravi Kumar Vatchavai
Head of Regulatory Affairs

Dear Ravi Kumar Vatchavai:

Please refer to your supplemental new drug application (sNDA) dated and received October 5, 2023, and your amendments, submitted pursuant to section 505(b)(2) of the Federal Food, Drug, and Cosmetic Act (FDCA) for Fentanyl Citrate injection.

We also refer to our letters dated April 13, 2023, and September 6, 2023, notifying you, under Section 505(o)(4) of the FDCA, of new safety information that we have determined should be included in the labeling for opioid analgesic products. This information pertains to the risk of opioid-induced hyperalgesia (OIH) and allodynia; risks related to misuse, abuse, addiction, overdose, and death; and hypoglycemia.

This supplemental new drug application provides for revisions to the labeling for Fentanyl Citrate injection, consistent with our April 13, 2023, and September 6, 2023, letters.
