Dear Nataly Zarate:

Please refer to your supplemental new drug application (sNDA) dated and received October 12, 2022, submitted under section 505(b) of the Federal Food, Drug, and Cosmetic Act (FDCA) for Halcion (triazolam) tablets.

We also refer to our letter dated August 2, 2022, notifying you, under Section 505(o)(4) of the FDCA, of new safety information that we have determined should be included in the labeling for benzodiazepines. This information pertains to the risks of overdose, neonatal withdrawal syndrome, and pregnancy and lactation-related risks.

This supplemental new drug application provides for revisions to the labeling for Halcion consistent with our August 2, 2022, letter.
