Braeburn Inc.  
450 Plymouth Road  
Suite #400  
Plymouth Meeting, PA 19462

Attention: Ruchira Kannambille  
Director, Regulatory Affairs

Dear Ruchira Kannambille:

Please refer to your supplemental new drug application (sNDA) dated and received October 6, 2023, and your amendments, submitted pursuant to section 505(b)(2) of the Federal Food, Drug, and Cosmetic Act (FDCA) for Brixadi (buprenorphine extended-release) injection.

We also refer to our approval letter dated December 15, 2023, which contained the following error: omission of carton labeling.

This corrected action letter incorporates the correction of the error. The effective action date will remain December 15, 2023, the date of the original letter.

We also refer to our letter dated September 6, 2023, notifying you, under Section 505(o)(4) of the FDCA, of new safety information that we have determined should be included in the labeling for opioid-containing products. This information pertains to the risk of hypoglycemia.

This supplemental new drug application provides for revisions to the labeling for Brixadi, consistent with our September 6, 2023, letter.

**APPROVAL & LABELING**

We have completed our review of this application, as amended. It is approved, effective on the date of this letter, for use as recommended in the enclosed agreed-upon labeling.

Information on submitting SPL files using eList may be found in the guidance for industry *SPL Standard for Content of Labeling Technical Qs and As*.<sup>2</sup>

The SPL will be accessible from publicly available labeling repositories.

Also within 14 days, amend all pending supplemental applications that include labeling changes for this NDA, including CBE supplements for which FDA has not yet issued an action letter, with the content of labeling [21 CFR 314.50(l)(1)(i)] in Microsoft Word format, that includes the changes approved in this supplemental application, as well as annual reportable changes. To facilitate review of your submission(s), provide a highlighted or marked-up copy that shows all changes, as well as a clean Microsoft Word version. The marked-up copy should provide appropriate annotations, including supplement number(s) and annual report date(s).
