MAIA Pharmaceuticals, Inc.  
Attention: John Alessandro  
VP of Technical Operations and Project Management  
707 State Road; Suite 104  
Princeton, NJ 08540

Dear John Alessandro:

Please refer to your supplemental new drug application (sNDA) dated and received August 18, 2023, submitted under section 505(b) of the Federal Food, Drug, and Cosmetic Act (FDCA) for Sincalide for injection.

This Prior Approval sNDA is in response to our Prior Approval Supplement Request letter dated, June 21, 2023, about a required warning statement of allergic-type reactions for products that contain sulfites as an inactive ingredient according to 21 CFR 201.22 (b). Sincalide for injection contains sodium metabisulfite. The updates to the Prescribing Information provide for addition of a history of hypersensitivity to sulfites in the CONTRAINDICATIONS section and the required sulfite warning statement in the WARNINGS AND PRECAUTIONS section.
