Head of US Regulatory Affairs
33 Arch Street, 32nd Floor
Boston, MA 02110

Dear Ms. Patel:

Please refer to your supplemental biologics license application (sBLA), dated and received October 10, 2023, submitted under section 351(a) of the Public Health Service Act for Vyvgart (efgartigimod alfa-fcab) injection.

We also refer to our letter dated September 22, 2023, notifying you, under Section 505(o)(4) of the FDCA, of new safety information that we have determined should be included in the labeling for efgartigimod alfa products. This information pertains to the risk of hypersensitivity reactions, including anaphylaxis, and the risk of infusion-related reactions in patients treated with efgartigimod alfa.

This supplemental biologics license application provides for revisions to the labeling for Vyvgart, consistent with our September 22, 2023, letter.
