ANTIFUNGAL

Cures Athlete's Foot

Relieves Itching and Burning Greaseless, Nonstaining

Schering-Plough
10 mL
(1/3 fl oz)

FRONT

LOTTRIMIN[®] AF

SOLUTION

ANTIFUNGAL

- Cures athlete's foot
- Relieves itching and burning

FOR BEST RESULTS, FOLLOW DIRECTIONS AND CONTINUE TREATMENT FOR LENGTH OF TIME INDICATED.

INDICATIONS: LOTTRIMIN AF SOLUTION cures athlete's foot (tinea pedis), jock itch (tinea cruris) and ringworm (tinea corporis). For effective relief of the itching, cracking, burning and discomfort which can accompany these conditions.

DIRECTIONS: Cleanse skin with soap and water and dry thoroughly. Apply a thin layer and gently massage over affected area morning and evening or as directed by a doctor. For athlete's foot, pay special attention to the spaces between the toes. It is also helpful to wear well-fitting, ventilated shoes and to change shoes and socks at least once daily. Best results in athlete's foot and ringworm are usually obtained with 4 weeks use of this product, and in jock itch, with 2 weeks use. If satisfactory results have not occurred within these times, consult a doctor or pharmacist. Children under 12 years of age should be supervised in the use of this product. This product is not effective on the scalp or nails.

WARNINGS: For external use only. Avoid contact with the eyes. Do not use on children under 2 years of age except under the advice and supervision of a doctor. If irritation occurs or if there is no improvement within 4 weeks (for athlete's foot or ringworm) or within 2 weeks (for jock itch), discontinue use and consult a doctor or pharmacist. Keep this and all drugs out of the reach of children. In case of accidental ingestion, seek professional assistance or contact a Poison Control Center immediately. Use only as directed.

ACTIVE INGREDIENT: Clotrimazole 1%.
INACTIVE INGREDIENT: PEG.
Store between 2° and 30° C (36° and 86° F).
