**Use**

- **To regrow hair on the top of the scalp (vertex only, see pictures on side of carton)**

**Directions**

- **Apply one mL 2 times a day directly onto the scalp in the hair loss area**
- **Using more or more often will not improve results**
- **Stop use and ask a doctor if chest pain, rapid heartbeat, faintness, or dizziness occurs**
- **Sudden, unexplained weight gain occurs**
- **Your hands or feet swell**
- **Scalp irritation or redness occurs**
- **Unwanted facial hair growth occurs**
- **You do not see hair regrowth in 4 months**
- **Hair regrowth has not been shown to last longer than 48 weeks in large clinical studies with mostly white men aged 18-49 years with moderate degrees of hair loss, 5% minoxidil topical solution provided more hair regrowth than 2% minoxidil topical solution**

**Other Information**

- **Store at controlled room temperature 20°F to 25°C (68°F to 77°F)**
- **Keep out of reach of children.**
- **If swallowed, get medical help or contact a Poison Control Center right away.**
