Visine A 1/2oz

Drug Facts

Active ingredients	Purpose
Naphazoline hydrochloride 0.025%	Redness reliever
Pheniramine maleate 0.3%	Antihistamine

Uses temporarily relieves itchy, red eyes due to:

- pollen
- ragweed
- grass
- animal hair and dander

Warnings

Do not use

- if you are sensitive to any ingredient in this product

Ask a doctor before use if you have

- heart disease
- high blood pressure
- narrow angle glaucoma
- trouble urinating due to an enlarged prostate gland

When using this product

- pupils may become enlarged temporarily
- do not touch tip of container to any surface to avoid contamination
- replace cap after each use
- remove contact lenses before using
- do not use if this solution changes color or becomes cloudy
- overuse may cause more eye redness

Stop use and ask a doctor if

- you feel eye pain
- changes in vision occur
- redness or irritation of the eye lasts
- condition worsens or lasts more than 72 hours

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away. Accidental swallowing by infants and children may lead to coma and marked reduction in body temperature.

Directions

- adults and children 6 years of age and over: put 1 or 2 drops in the affected eyes up to four times a day

Drug Facts (continued)

- children under 6 years of age: consult a doctor

Other information

- some users may experience a brief stinging sensation
- store between 15 and 25 C (59 and 77 F)

Inactive ingredients

boric acid and sodium borate buffer system preserved with benzalkonium chloride (0.01%) and edetate disodium (0.1%), sodium hydroxide and/or hydrochloric acid (to adjust pH), and purified water
