**Drug Facts**

**Active ingredient**
Chlorhexidine gluconate solution 4.0% w/v ............................... Antiseptic

**Purpose**

- **Antiseptic**

**Uses**
- Antimicrobial skin cleanser helps reduce bacteria that potentially can cause disease
- For skin wound and general skin cleansing
- Surgical hand scrub
- Healthcare personnel handwash

**Warnings**
- For external use only
- Do not use if you are allergic to chlorhexidine gluconate or any other ingredients in this preparation
- Do not use as a patient preoperative skin preparation of the head or face
- Do not use in contact with the meninges
- Do not use in the genital area
- Do not use on wounds that involve more than the superficial layers of skin

**When using this product**
- Keep out of eyes, ears, and mouth. May cause serious and permanent eye injury if placed or kept in the eye during surgical procedures, or may cause deafness when instilled in the middle ear through perforated eardrums.
- Use with care in premature infants or infants under 2 months of age. These products may cause irritation or chemical burns.
- Keep out of reach of children.
- If swallowed, get medical help or contact a Poison Control Center right away.

**Directions**
- Skin wound and general skin cleansing: Thoroughly rinse the area to be cleansed with water. Apply the minimum amount of the product necessary to cover the skin or wound area and wash gently. Rinse thoroughly.
- Surgical hand scrub: Wet hands and forearms with water. Scrub for 3 minutes with about 5mL of the product with a brush. Rinse thoroughly under running water. Repeat. Dry thoroughly.
- Healthcare personnel handwash: Wet hands with water. Dispense about 5mL of the product into cupped hands and wash in a vigorous manner for 15 seconds. Rinse and dry thoroughly.

**Drug Facts (continued)**
- If contact occurs in any of these areas, rinse with cold water right away.
- Stop and ask a doctor if irritation, sensitization, or allergic reaction occurs and lasts for 72 hours. These may be signs of a serious condition.

Other information
- Store between 20-25°C (68-77°F)
- Avoid excessive heat above 40°C (104°F)

**Inactive ingredients**
- Fragrance, gluanide, isopropyl alcohol 4% w/v, lauramine oxide, poloxamer 237, purified water and red 40
