Guaifenesin
1200 mg
Expectorant

- Relieves Chest Congestion
- Thins and Loosens Mucus
- Immediate and Extended Release

12 Hour

Maximum Strength

Uses
- Helps loosen phlegm (mucus) and thin bronchial secretions to rid the bronchial passageways of bothersome mucus and make coughs more productive

Warnings
- Do not use for children under 12 years of age
- Ask a doctor before use if you have persistent or chronic cough such as occurs with smoking, asthma, chronic bronchitis, or emphysema
- Cough accompanied by too much phlegm
- Stop use and ask a doctor if cough lasts more than 7 days, comes back, or occurs with fever, rash, or persistent headache. These could be signs of a serious illness.
- If pregnant or breast-feeding, ask a health professional before use. Keep out of reach of children.
- In case of overdose, get medical help or contact a Poison Control Center right away (1-800-222-1222).

Other information
- Tamper evident: Do not use if carton is open or if printed seal on blister is broken or missing.
- Store between 20-25°C (68-77°F)
- Inactive ingredients: carbomer homopolymer type B; hypromellose, USP; magnesium stearate, NF; microcrystalline cellulose, NF; sodium starch glycolate, NF
