Do not use this product if printed safety seal bearing "Bayer HealthCare" under cap is torn or missing.

OPEN TO READ DRUG FACTS BEFORE USE

Naproxen sodium 220 mg (naproxen 200 mg) (NSAID)*

Drug Facts

temporarily relieves minor aches and pains due to:
- minor pain of arthritis
- muscular aches
- backache
- menstrual cramps
- headache
- toothache

temporarily reduces fever

A severe allergic reaction may occur, especially in people allergic to aspirin. Symptoms may include:
- hives
- facial swelling
- asthma (wheezing)
- shock
- skin reddening
- rash
- blisters

If an allergic reaction occurs, stop use and seek medical help right away.

Stomach bleeding warning:
This product contains an NSAID, which may cause severe stomach bleeding. The chance is higher if you:
- are age 60 or older
- have had stomach ulcers or bleeding problems
- take a blood thinning (anticoagulant) or steroid drug
- take other drugs containing prescription or nonprescription NSAIDs (aspirin, ibuprofen, naproxen, or others)
- have 3 or more alcoholic drinks every day while using this product
- take more or for a longer time than directed

Heart attack and stroke warning:
NSAIDs, except aspirin, increase the risk of heart attack, heart failure, and stroke. These can be fatal. The risk is higher if you use more than directed or for longer than directed.

If you have ever had an allergic reaction to any other pain reliever/fever reducer:
- ask a health professional before using this product.

Right before or after heart surgery:
- if you have a history of stomach problems, such as heartburn
- you have high blood pressure, heart disease, liver cirrhosis, kidney disease, asthma, or had a stroke
- you are taking a diuretic
- you have problems or serious side effects from taking pain relievers or fever reducers
- your doctor has directed you to under a doctor's care for any serious condition
- taking any other drug

Each pill contains:
- sodium 20 mg

Each tablet contains:
- naproxen sodium 220 mg

Adults and children 12 years and older:
- take 1 tablet every 8 to 12 hours
- while symptoms last
- for the first dose you may take 2 tablets within the first hour
- do not exceed 2 tablets in any 8- to 12-hour period
- do not exceed 3 tablets in a 24-hour period

Children under 12 years:
- ask a doctor

Keep out of reach of children.

In case of overdose, get medical help or contact a Poison Control Center right away.

Dr. Drink a full glass of water with each dose

Adults and children:
- ask a health professional before use. It is especially important not to use naproxen sodium during the last 3 months of pregnancy unless definitely directed to do so by a doctor because it may cause problems in the unborn child or complications during delivery.

Take with food or milk if stomach upset occurs
