Drug Facts

Active ingredient Purpose
Minoxidil 5% w/w (minoxidil propellant) Hair regrowth treatment for women

Use To regrow hair on the top of the scalp (see pictures on side of this carton)

Warnings
For external use only.
Extremely Flammable: Avoid fire, flame, or smoking during and immediately following application.
Do not use if:

- your doctor has told you that you have a heart condition
- your hair loss is different than that shown on side of this carton because this product may not work for you
- you have or have had a stroke
- your hair loss is sudden and/or patchy
- your hair loss is associated with children
- you do not know the reason for your hair loss
- you are under 18 years of age. Do not use on babies and children.
- your scalp is red, inflamed, infected, or painful
- you use other medicines on the scalp

Ask a doctor before use if you have heart disease

Other things to know:

- do not use more than directed
- do not apply to other parts of the body
- avoid contact with the eyes. In case of accidental contact, close eyes with large amounts of cool tap water.
- some people have experienced changes in hair color and/or texture
- it takes time to regrow hair. Results may occur in 3 months with use every day. For some women, you may need to use this product once a day for at least 6 months before you see results.
- the amount of hair regrowth is different for each person. This product will not work for all women.

Stop use and ask a doctor if:

- sting, pain, redness, itching, rash, or dizziness occurs
- swelling, unexplained weight gain occurs
- your hands or feet swell
- scalp infection or redness occurs
- unexplained back hair growth occurs
- you do not see hair regrowth in 6 months

May be harmful if used when pregnant or breast-feeding. Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- see enclosed booklet for complete directions on how to use
- apply half a capful once daily directly to the scalp on the hair loss area
- massage into scalp with fingers. Do not touch face or hair
- apply more or more often will not improve results
- continued use is necessary to increase and keep your hair regrowth or hair loss will begin again

Other information

- see how to use picture on side of this carton
- before use, read all information on carton and enclosed booklet
- keep the carton. It contains important information.
- store at controlled room temperature 20° to 25° C (68° to 77° F)
- contents under pressure. Do not puncture or incise container. Do not expose to heat or above of temperatures above 120° F (49° C)

DIRECTIONS FOR USE
 See information booklet with complete directions on how to use and obtain best results.

- PREP HANDS WITH COLD WATER**

 Rinse your fingers in cold water and dry them. Better foam will result on contact with warm surfaces.
- OPEN CHILD RESISTANT CAP**

 Be sure to align arrow on the cap with arrow on the ring. Flip cap back and pull off.
- DISPENSE VERTICALLY ONTO A COLD SURFACE**

 Hold the can straight up and down. If you hold the can at an angle, foam may not dispense properly. Please recede to dispense half a capful of foam onto a cold surface (e.g. dish, or cold hands).
- APPLY TO SCALP, NOT HAIR**

 Part your hair to expose hair loss area. Massage foam into scalp. Hit hair. Repeat until all hair loss areas have been covered.
- CLOSE CAP AND WASH HANDS**

 Sweep cap back into place. Be sure arrow on top line and the cap remains child resistant. Wash hands and any surface thoroughly after use.

WOMEN'S ROGAÏNE® Foam is for women who have a general thinning of hair on the top of the scalp (as shown below) and has been shown to regrow hair in women with the following degrees of thinning hair or hair loss.

If women have more hair loss than shown above, WOMEN'S ROGAÏNE® Foam may not work.
