**INSTRUCTIONS FOR USE**

**Opening Instructions:**

- Press and hold the "press firmly" button (see below) with thumb of left hand.  
With the right hand firmly grip the "pull" tab (see below). (Note: on the back of the pack the grip area for the finger is not aligned).
- While holding the "press firmly" button down, pull the "pull" tab to reveal the card containing the medication.
- Once the card is fully out, unfold it completely.
- To release the capsule, press on the capsule from the clear side of the card and push it through the paper backing.
- Be sure to remove any loose paper backing from the back of the card.

**To open kit:**

Press firmly **1**

**1 2**

Pull

To open: While pressing tab 1 firmly, pull on tab 2.

**Closing Instructions:**

- The card should not be damaged, it should fit flat in the box.
- Fold the card back.
- Push the folded card fully into the outer box.
- Fold the cover-flap over to complete closure. Store in a safe place out of the reach of children.
