

How can healthcare settings* obtain SUBLOCADE for potential patients?

To receive and store a supply of SUBLOCADE for a healthcare setting, all healthcare settings and pharmacies that dispense SUBLOCADE* must:

1. Be certified in the SUBLOCADE REMS Program.
2. Designate an “authorized representative” to complete the **SUBLOCADE REMS Program Healthcare Setting and Pharmacy Enrollment Form** and submit it to the SUBLOCADE REMS Program for certification.
3. Train relevant staff involved in the dispensing of SUBLOCADE, to ensure that it is dispensed directly to a healthcare provider.
4. Establish processes and procedures to verify that SUBLOCADE is dispensed directly to a healthcare provider. **SUBLOCADE should never be dispensed directly to a patient.**

How should SUBLOCADE be stored?

- Once SUBLOCADE is delivered for a named patient or is obtained for a healthcare setting’s bulk supply, it should be kept in a secure place per state and federal regulations. Store refrigerated. Once outside the refrigerator, this product may be stored in its original packaging at room temperature for up to seven (7) days prior to administration. Discard SUBLOCADE if left at room temperature for longer than seven (7) days.

Risk Evaluation and Mitigation Strategy (REMS)

What is the SUBLOCADE REMS (Risk Evaluation and Mitigation Strategy) Program?

A REMS is a strategy to manage known or potential risks associated with a drug, and is required by the Food and Drug Administration (FDA) to ensure that the benefits of the drug outweigh its risks. **SUBLOCADE is intended for abdominal subcutaneous injection only by a healthcare provider.** SUBLOCADE is available only through a restricted distribution program called the SUBLOCADE REMS Program because of the risk of **serious harm or death that could result from intravenous self-administration.**

What are the SUBLOCADE REMS program requirements?

- All healthcare settings and pharmacies that dispense SUBLOCADE must be certified in the SUBLOCADE REMS program
- Healthcare providers, healthcare settings, and pharmacies must obtain SUBLOCADE through a restricted distribution program
- SUBLOCADE should never be dispensed directly to a patient.**

Which healthcare settings MUST BE certified in the SUBLOCADE REMS program?

All healthcare settings and pharmacies that dispense SUBLOCADE must be certified. Examples of healthcare settings include: group practice, independent practice, institution, Department of Defense (DoD) facility, outpatient clinic, hospital, Veterans Administration (VA) facility, opioid treatment program (OTP), closed healthcare system, other healthcare setting.

How does my healthcare setting or pharmacy become certified in the SUBLOCADE REMS program?

1. Get Started [here](#)

Designate an **authorized representative.** The authorized representative will ensure that each dispensing location that meets the REMS requirements will be permitted to purchase, receive, and dispense SUBLOCADE. The certification will be confirmed prior to shipping SUBLOCADE.

2. Review REMS Materials

Review the SUBLOCADE REMS Program materials, including **SUBLOCADE REMS Program Fact Sheet: How to Obtain SUBLOCADE**, the Prescribing Information, and the Medication Guide.

3. Complete the Enrollment Process

Complete, sign, and submit the **SUBLOCADE REMS Program Healthcare Setting and Pharmacy Enrollment Form.**

Only one (1) form is needed per healthcare setting. A pharmacy is covered under their healthcare setting's enrollment in the SUBLOCADE REMS Program.

The **SUBLOCADE REMS Program Healthcare Setting and Pharmacy Enrollment Form** contains three sections:

- "Authorized Representative Signature" section
- "Authorized Representative Information" section
- "Healthcare Setting Information" section

For the initial enrollment, all three sections noted above must be submitted. To add an additional healthcare setting after the initial enrollment, you may submit just the "Healthcare Setting Information" section for each dispensing site where SUBLOCADE will be shipped within your healthcare system.

If a designated authorized representative changes, the new authorized representative must complete and sign a new **SUBLOCADE REMS Program Healthcare Setting and Pharmacy Enrollment Form**, including a "Healthcare Setting Information" section for each healthcare setting with which he/she is now affiliated.

The **SUBLOCADE REMS Program Healthcare Setting and Pharmacy Enrollment Form** may be completed via one of the following enrollment options below:

- To enroll **online**, please [click here](#).
- For enrollment via **FAX**, please complete all required fields on the form and one "Healthcare Setting Information" section for each dispensing site, and fax the section(s) to 1-866-823-9549.
- For enrollment via **E-mail**, please complete all required fields on the form and one "Healthcare Setting Information" section for each dispensing site, and email the section(s) to certify@SublocadeREMS.com.
