Vigabatrin is available only through a restricted distribution REMS program called the Vigabatrin REMS Program. The Vigabatrin REMS Program is available to answer questions regarding this program and initiating treatment with vigabatrin. Please call 1-866-244-8175 for assistance.

Vigabatrin is indicated as monotherapy for pediatric patients 1 month to 2 years of age with infantile spasms (IS) and as adjunctive therapy for patients 2 years of age and older with refractory complex partial seizures (CPS) who have inadequately responded to several alternative treatments, for whom the potential benefits outweigh the potential risk of vision loss. Vigabatrin is not indicated as a first line agent for CPS.

By completing, signing, and submitting this form, I acknowledge that I have reviewed the Prescribing Information for vigabatrin, and I agree to be enrolled in the Vigabatrin REMS Program.

As a condition of certification:

- I will enroll each patient in the Vigabatrin REMS Program by:
  - Counseling the patients/parents/legal guardians considering treatment on the benefits and risks of vigabatrin, including permanent vision loss and the need for periodic monitoring of vision, and providing them with a copy of What You Need to Know About Vigabatrin Treatment: A Patient Guide
  - Completing the Vigabatrin REMS Program Patient/Parent/Legal Guardian–Physician Agreement Form for each patient and providing a completed copy to the patient/parent/legal guardian. I will submit the completed form to the Vigabatrin REMS Program and store a copy in the patient’s records
- Ensuring that periodic monitoring of vision, as described in the Prescribing Information, is performed on an ongoing basis for each patient
- Reporting any adverse event suggestive of vision loss to the Vigabatrin REMS Program with all available information

I understand that if I do not maintain compliance with the requirements of the Vigabatrin REMS, I will no longer be able to prescribe vigabatrin

Prior to dispensing vigabatrin, the Vigabatrin REMS Program will provide a confirmation of certification to the e-mail address listed on page 2.

For additional information, visit www.vigabatrinREMS.com or call the Vigabatrin REMS Program at 1-866-244-8175.
